## **Day of joy**

© 2007 Nash Studio Inc., All rights reserved.

Day of joy has come to the earth  
Come to the earth, come to the earth

We all bless the holy birth  
The holy birth, the holy birth

Now the tears of fears are gone  
Fears are gone, fears are gone

Come to know we are not alone  
Oh heavenly sound we are not alone  
Oh heavenly sound the sacred tone  
Oh heavenly sound the sacred tone
