May you reach me

Where should I go?

I go? ... I go?

Where should I know?

I know?... I know?

Why do I cry?

I cry?... I cry?

How can I fly?

I fly?... I fly?

May your hand reach me

May your hand reach me

May your voice reach me

May your voice reach me

May your light reach me

Ah..Ah..Ah

May your love reach me

May your love reach me!
